

Calculus I, MA 113-030

Fall 2016

Recitation Syllabus

Instructor	Li, Ang
Email	ali266@uky.edu
Meeting Times	TR 3:30 pm - 4:45 pm, CB 341
Office Hours	Thursday 1:00 pm - 2:00 pm in the Mathskeller Monday 1:00 pm - 3:00 pm in POT 722 or by appointment
Course Website	http://www.ms.uky.edu/~ma113/f.16/mainframe.html

Recitation Expectations: In order to promote a healthy learning environment, I expect all students to be respectful to all members of our learning community. Specifically, I ask all students:

- to **bring the current worksheet** to class
- to mute all cell phones, laptops, and tablets
- to actively participate in recitation activities

Recitation Goals: The purpose of this recitation section is to offer a better understanding of what you have in the lecture, and get familiar about the technical skills to solve the problems. During the recitation, you'll be working in groups which are going to be set randomly.

Attendance: If you are enrolled in MA 193, attendance is required at all recitation periods. I will take attendance at every recitation meeting. A student will be counted absent if they are more than 15 minutes late to class without a valid excuse. If there are special circumstances that will require you to be late to class on a regular basis please contact me as soon as possible. To be excused, you must email me or see me after class, explain the reason for the absence, and provide appropriate documentation. Students in MA 193 are allowed two (2) unexcused absences. Three or more absences will result in a failing grade in MA 193. **Recitation attendance counts toward your MA 113 grade.**

Quizzes: Quizzes will be given frequently during recitation (mainly on Thursday). **Quiz grades NOT count toward your MA 113 grade.**

Homework Questions: I'm going to check my email at least once a day, quick response might not be available but you can expect to get reply in 24 hours.

Midterms and Finals: (at WCB 118)

Tuesday, September 20, 2016 5:00 - 7:00 pm

Tuesday, October 18, 2016 5:00 - 7:00 pm

Tuesday, November 15, 2016 5:00 - 7:00 pm

Wednesday, December 14, 2016 6:00 - 8:00 pm
